

Worthy sources more than 80% of its hops from the Willamette Valley in Oregon. We prioritize sourcing from our Northwest neighbors both because of the quality crops and to be responsible stewards of our community and environment. We're proud of this beer, and we hope you enjoy it as much as we do.

Stratus Hazy IPA

Reach For The Sky! We've been lucky enough to work with the amazing Strata hop from the get-go, so why wouldn't we use its amazing aromatic capabilities in a juicy hazy IPA.

Plot twist, we did! The beer bursts with tropical aroma! Pineapple, Mango, and some slight citrus paired with a balanced sweetness.
