**Sol Power:** Did you know Worthy has over 125 rooftop solar panels? Most are dedicated to heating water for our brewing process. In total these solar panels produce a yearly average of 10% of our power.

**Garden to Table:** Our Worthy garden grows chives, sage, thyme, oregano, mint, edible flowers, basil and cherry tomatoes that we use in our dishes. We also provide compost to local farms in an effort to reduce our environmental footprint.

Our mantra: 'Earth First. Beer Second.' reflects how we source from local partners. Together we can do our part to minimize waste and support the Central Oregon community.

Partners: Addy Mac's Ice Cream, Agricultural Connections, Carlton NW Pork, Charlie's Produce, Eberhards Dairy, Greene Bros Beef, Oregon Country Natural Beef, Pacific Seafood, Sparrow Bakery, Tillamook Cheese, Willamette Valley Pies, Gather Nuts Worthy Garden Club.
