2020 was one hell-of-a decade and we are all looking for some "normalcy" in 2021. This is the perfect beer to ease yourself into getting back out there to the mountain, the bar, your family parties or anywhere else that you've been missing. Celebrate being able to do literally anything again with a few of these with some buddies, hopefully on top of a mountain!

Brewed with Salmon-Safe certified hops.
